③ "MY WEEK WITH MARILYN, STARRING MICHELLE WILLIAMS, FILMED IN FRONT OF MY ASPREY WINDOWS ON BOND STREET!"

-ATLANTA DESIGNER RAYMOND GOINS EXULTING ABOUT THE WINDOWS HE DESIGNED FOR ASPREY, LONDON, BEING FEATURED IN A MAJOR MOVIE ABOUT MARILYN MONROE

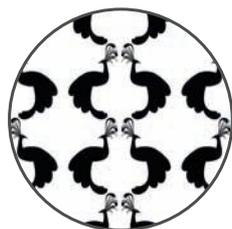

④ SURREALITY SHOW

Humor has all but disappeared from oh-so-serious home decor these days, which is why we love this laser-cut, wooden Ostrich Console (\$477) in eye-popping cherry red, available at **Switch Modern**. A menagerie of bear-shaped bookcases and white sheep side tables also abound at the Westside showroom, so get your head out of the sand and adopt an ostrich today!

⑤ YOUR CHARIOT

Speaking of humor, no one exhibits cheekiness like French fashion designer **Jean-Paul Gaultier**, who has teamed with **Roche-Bobois** on several witty furnishings, including this Ben Hur Chair (\$6,742), a mirrored wardrobe on wheels, and a clever chest of drawers constructed of stacked luggage trunks.

⑥ FEATHER YOUR NEST

Local graphic artist **Laurie Forehand's** online design brand, *1201 am.com*, produces punchy rugs, pillows and paper products. We love her flamboyant peacock wallpaper for **IMGS** at \$279 per roll.

⑦ DOME, SWEET DOME

These intricate, hand-carved, wooden reproductions of classical architectural models are perfect for the library. Pick up a dome, duomo, bell tower or spiral staircase, from \$130, at **Spalding Nix Fine Art & Antiques**.

⑧ A GOLDEN TAN

This natural cowhide rug (treated with a golden metallic finish) adds a dash of glam to this rugged accessory—making it more appropriate for the manor rather than the Montana ski lodge. \$1,260, at **Pieces**, Buckhead.

⑨ MONUMENTAL STYLE

The objets trouvés at **David D'Ambrosio's** new **Redefined** boutique range from a monumental seven-foot-tall horse sculpture to miniature shards of mounted purple glass, but each piece is a distinct treasure. Source for stylish gifts, architectural accessories, vintage collectibles and custom furniture at this Westside haven.

⑩ POSH PROVISIONS

Since opening this fall at **White Provision**, the to-the-trade **R Hughes Showroom** has featured high-drama pieces curated by designer **Ryan Hughes**. Don't miss circular velvet benches oozing old movie-palace glam!

⑪ HONEY FOR THE HOME

Best known for d Laura Turner Seydel's luxurious **EcoManor**, interior designer **Jillian Pritchard Cooke** has now opened the charming boutique, **Bee**. The shop showcases eco-chic-only custom furniture, Belgian linens, antiques, jewelry (we love the pieces made from crushed car glass), baby clothes, even 19th-century beehives and seven kinds of local honey! Up next: bridal and baby registries.
